

1. Accessing DayMap Parent Portal from the Website

If Parents have used the Portal before, enter Username and Password, and use the Forgot your password? if required.

If parents are not already accessing DayMap, click on:

New User.

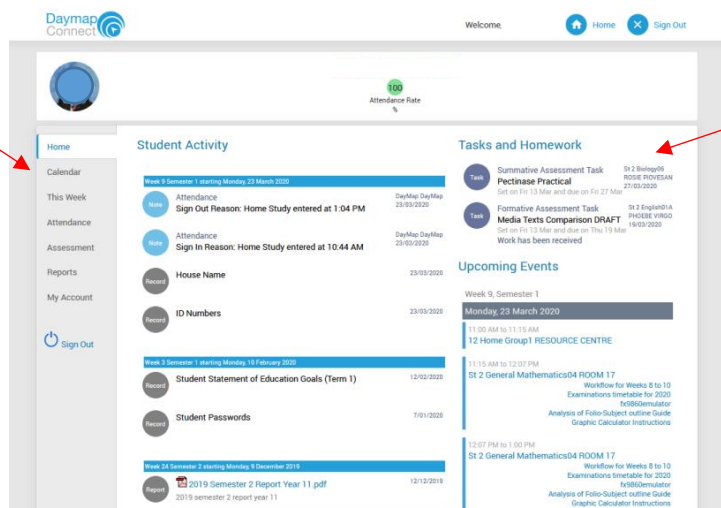

Parents enter the email address* they have given to the school.

Enter the school student code for their child (it is on their student card).

Parents will then receive their Username and Password to their email address*.

Return to Website to Login with these details.
