Underdale High School takes great pride in its uniform, which is also strongly supported by our school community. Students are expected to wear correct uniform at all times between leaving home in the morning and arriving home in the afternoon. We seek parental support to ensure that their child is wearing the correct uniform each morning. Students need to present an explanatory note if they are out of uniform. Repeated failure to comply with the wearing of school uniform will result in consequences in line with the Student Code of Conduct.
